

REMARKS/ARGUMENTS

Reconsideration of this application is requested. Claims 18-21 remain active in the application subsequent to entry of this Amendment.

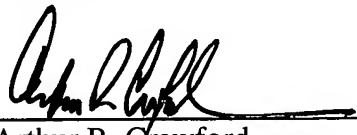

In the Official Action the requirement for restriction earlier presented has been continued and thus claims 13-17 and 22-27 were withdrawn from consideration. Considering this action, claims 13-17 and 22-27 have been canceled without disclaimer or prejudice directed to a divisional application or applications directed to the subject matter of these claims. This leaves for consideration elected claims 18-21. Of these, the examiner pointed out some spelling errors in claim 20. The above amendments attend to these spelling errors.

This Amendment should place the entire application in condition for allowance. Reconsideration and allowance are solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
